

Sinetrol® XPUR

A synergistic blend of polyphenolic compounds specially selected from unique Mediterranean citrus fruits that have been shown in studies to aid in release of free fatty acids (FFA's) resulting in fat loss.^Δ

White Mulberry

A compound called 1-deoxynojirimycin (DNJ) found in mulberry leaves is thought to inhibit absorption of carbohydrates (from the intestines), with most potency on inhibiting sugar absorption into the bloodstream.^Δ

Green Slimming Tea™

An herbal derivative from green tea leaves (*Camellia sinensis*). It possesses a particular polyphenol that may promote fat loss and support weight management by increasing energy expenditure by increasing overall metabolic rate.^Δ

NATURAL WEIGHT LOSS FROM THE MEDITERRANEAN...STRESS FREE AND EASY!

Losing weight doesn't have to be a chore with NEW Sinetrim™ with Sinetrol®. This is not just another fad diet product. It's the weight-loss solution you've been waiting for that suits your lifestyle—an all-natural, clinically tested supplement that produces real results. Your weight-loss plan couldn't be easier.

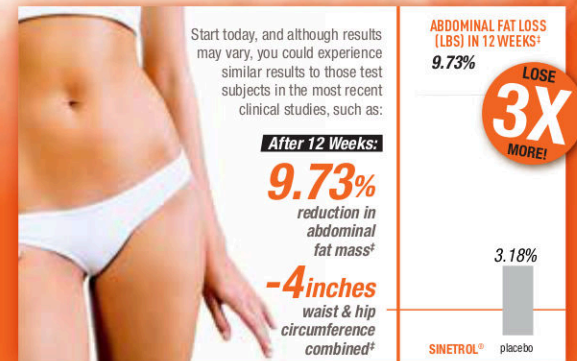

What makes it so different?

Sinetrim™ with Sinetrol® is unique, just like you!

Sourced from the Mediterranean region (known for its long history of health, wellness, and stress-free lifestyle), Sinetrim™ contains three key components that aid in weight loss. Sinetrol®, extracted from Mediterranean citrus fruit species (sweet orange, blood orange, grapefruit), delivers special polyphenols, shown in studies to release free fatty acids; white mulberry helps block absorption of carbs; and Green Slimming Tea™ provides powerful antioxidant and metabolic support.^Δ

Perfectly complementing the coveted Mediterranean diet (high in nuts, fruits, vegetables, whole-grains, and natural unsaturated fats such as olive oil, with protein from fish and poultry), Sinetrim™ with Sinetrol® also offers an easy-to-follow weight-loss plan that's not based on high-stimulant levels or calorie restriction like typical diets.

Let us take the stress out of your weight-loss journey with Sinetrim™ with Sinetrol®...
Because YOU deserve it.
