

PRODUCT BENEFITS: Calcium Citrate is a highly bioavailable form of calcium, and Vitamin D assists in the absorption of Calcium.* Some scientific studies indicate that Calcium may support healthy cell growth in the colon.* This formula promotes immune system health and provides the building blocks for strong bones and teeth.*

Adequate Calcium and Vitamin D throughout life, as part of a well-balanced diet, may reduce the risk of osteoporosis.

Directions: For adults, take four (4) tablets daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
