

PRODUCT BENEFITS: Cartilage Care® is a proprietary blend that contains popular ingredients found in joint support products, including Glucosamine and Chondroitin Sulfate, key structural components of cartilage.* Vitamin C is included to promote collagen formation, the protein essential for the formation of connective tissue in skin, vasculature, ligaments and bones.* Together these components provide nutritional support for joint health.*

Directions: For adults, take one (1) capsule three times daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
