Recommendations: Starting on day 2, mix one packet with water and drink at bedtime, immediately after awakening. Use a full 8-10 ounces of water, or more, for desired consistency. As it is natural for the mixed product to become thicker with time, continue to add water as needed to maintain the consistency you want.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to using Fiber Fusion PLUS.

Triple-Action Cleansing Formula continued

Recommendations: Day 1 through day 4: four tablets at bedtime with 8 ounces of water. **Day 5:** two tablets at bedtime with 8 ounces of water. Reduce dosage if you experience abdominal discomfort or diarrhea. If discomfort persists, discontinue use.

Warning: Consult a healthcare practitioner if a sudden change in bowel habits occurs and persists for five days. Rectal bleeding or failure to have a bowel movement after use of a laxative may indicate a serious condition; discontinue use and consult a healthcare practitioner. Do not use if pregnant or nursing. Unless directed by a healthcare practitioner, do not use laxative products when abdominal pain, nausea, or vomiting is present, or if you have kidney disease. Do not take more than four tablets in a 24-hour period or use the maximum dosage for more than five days. If taking prescription drugs, have gallstones or bile duct obstruction, consult your healthcare practitioner prior to using Triple-Action Cleansing Formula.
