

PRODUCT BENEFITS: Cartilage Companion® combines potassium-stabilized Glucosamine Sulfate, Chondroitin Sulfate, and Methylsulfonylmethane (MSM). MSM synergistically enhances the benefits of Glucosamine and Chondroitin, and provides the raw material you want for cushioning joints and supporting connective tissue health.*

Directions: Take one (1) capsule three to five times daily with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
