GNC Longevity Factors™ Eye Health

"Vision is one of the most vital senses. Protecting your vision against the effects of aging starts with proper nutrition and a healthy lifestyle. Supporting your body's antioxidant and circulatory systems are key. The ingredients included in Longevity Factors™ Eye Health help support healthy vision."

- Joseph Maroon, M.D.

Powerful Antioxidants - features a blend of powerful carotenoids from fruits and vegetables that play an important role in eye health. They include beta-carotene, lutein and zeaxanthin that are natural structural components of the eye and are helpful in fighting free radical damage.* It also provides bilberry to support eye health.*

DHA - an omega-3 fatty acid found in the eye membrane and is important for vision health.*
