

0 90700 00401 9

To assure optimal extraction of Black Elderberry's bioactive compounds, the berries are hand-harvested only when fully mature, are carefully shade-dried to retain their full color & aroma, and are then thoroughly extracted.

in their natural wild habitat.

We prepare our Black Elderberry Extract from the fully-ripened berries of *Sambucus nigra* trees which are **Certified Organically Grown** and/or Custom Wildcrafted™

004
