

**Dr. Joseph Maroon
and Longevity Factors™**

*"You can't stop aging.
But you can age well."*

Dr. Joseph Maroon is a world-renowned neurosurgeon, sports medicine specialist, nutritional expert and author. Together with GNC, Dr. Maroon developed the breakthrough Longevity Factors™ line of products that work to support healthy aging. Living proof of his theories, Dr. Maroon has participated in over 70 triathlons and 6 Ironman Championships.

GNC QUALITY COMMITMENT

For more than 75 years GNC has been dedicated to helping health conscious consumers Live Well. As the leader in the nutritional supplement industry, we have remained committed to producing the highest quality and scientifically advanced products available on the market. This commitment begins with our scientific research and product development then continues through to the raw material procurement, manufacturing, packaging and transportation of the finished product. We take pride in our commitment to ensuring quality and we extend our confidence to you in our money-back guarantee.

GNC GUARANTEE

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to your GNC store for a complete refund of your purchase price. No questions asked!

Please recycle this box.

**GNC Longevity Factors™
Memory Formula**

"Throughout the aging process, changes begin to happen in the body, including a decline in memory retention. Supporting your brain health with a balanced diet and appropriate supplementation can help support a healthy memory."

- Joseph Maroon, M.D.

Memory Blend - combines phosphatidylcholine, a precursor to acetylcholine, a key neurotransmitter with phosphatidylserine, to support memory function.*

Omega-3 Fatty Acids - includes DHA, an important omega-3 fatty acid that makes up a significant portion of gray matter in the brain. DHA is an essential fatty acid that is important for healthy brain cell function.*

Herbal Support - features key herbs such as turmeric, a powerful neuroprotective antioxidant; ginkgo biloba to support increased blood flow to the brain; and huperzine A, which helps prevent the breakdown of key neurotransmitters in the brain.*

**GNC Longevity Factors™
Memory Formula**

Premium formula. Clinically researched ingredients. Physician endorsed.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

MEMORY FORMULA
