△ Clinically Researched Ingredients

Dr. Joseph Maroon and Longevity Factors™

"You can't stop aging. But you can age well."

Dr. Joseph Maroon is a world-renowned neurosurgeon, sports medicine specialist, nutritional expert and author. Together with GNC, Dr. Maroon developed the breakthrough Longevity Factors™ line of products that work to support healthy aging. Living proof of his theories, Dr. Maroon has participated in over 70 triathlons and 6 Ironman Championships.

GNC Longevity Factors™ Healthy Aging Program

"The aging process can begin to affect many different aspects of health. Supporting healthy aging from head to toe begins with the appropriate nutritional measures. Using the highest quality ingredients, Longevity Factors™ Healthy Aging Program has four components with key nutrients required for overall health."

- Joseph Maroon, M.D.

Advanced Multivitamin for Healthy Aging - this clinically researched multivitamin formula includes vitamins, minerals and antioxidants such as vitamin C, vitamin E, zinc, selenium and alpha-lipoic acid that support immune health and protect cells against free radical damage.*

Triple Strength Fish Oil - a natural source of omega-3 fatty acids EPA and DHA. Just one softgel capsule features a total of 900 mg of omega-3 fatty acids that support heart, joint and eye health.*

Memory Formula - a blend of important memory supporting nutrients such as DHA for brain health; ginkgo biloba to support increased blood flow; phosphatidylcholine and phosphatidylserine to help maintain nervous system health and play an important role in memory function; and huperzine A to help prevent breakdown of key neurotransmitters in the brain.*

Resveratrol - includes 500 mg of antioxidant supporting resveratrol for cell-aging defense and collagen.*

GNC LONGEVITY FACTORS™ HEALTHY AGING PROGRAM
