

UNCONDITIONALLY GUARANTEED

Maintain healthy cell growth.

Curcumin (the key compound in the spice turmeric), green tea, and resveratrol are potent antioxidants, able to protect cells from free radical damage as well as support a healthy inflammation response. Together, these three clinically studied compounds promote healthy cell growth and cellular DNA.*

Curacel™ contains BCM-95® curcumin which is 10 times better absorbed than plain curcumin for more powerful health support. In addition, each two softgels of **Curacel™** deliver the equivalent amount of resveratrol as 10 glasses of red wine.

Recommendations: 1 softgel, two or three times daily. For aggressive support, up to 6 softgels daily. If pregnant or nursing, consult a health care practitioner before using.

All ingredients established in human studies for safety and effectiveness. Does not interfere with stomach, liver or kidney function.

* THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE.
