distilled water & Certified Organic Feverfew
extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Feverfew Extract from the leaf
& flower of *Tanacetum parthenium* plants
which are **Certified Organically Grown** on
our own farm.

To assure optimal extraction of Feverfew's
bioactive compounds, the plants are hand-
harvested only while flowering, are carefully
shade-dried to retain their full color & aroma,
and are then thoroughly extracted.
