

PERFORMANCE. NOW IN A POWDER.

The award-winning taste and technology of OhYeah! Ready-To-Drink shakes and bars is now a Total Protein System utilizing critical proteins to deliver the immediate and long-term macronutrients your body needs to make the impossible possible.

LIMITS? WHAT LIMITS?

No matter your goal, the path to success requires structured nutrition that supports the foundation of peak athletic performance: lean muscle and reduced body fat. Built on 32g of the most complete proteins, each serving provides your body with the nutrition it needs without excess calories from fat and sugar. Enhanced with fast-burning medium-chain triglycerides for an immediate source of energy that conserves lean muscle, as well as omega-6 EFA's to aid in recovery, OhYeah! Total Protein System is your ultimate structured nutrition source. Elevate your game, choose your nutrients wisely and introduce your body to an improved level of metabolic support where limits do not exist.

Time-released systematic formula supplying a steady rush of amino acids to meet individual macronutrient needs.

Omega-MCT Interfusion Matrix containing antioxidants and essential fatty acids.

Quick-digesting branch chain amino acids to supply muscles with an immediate protein source.
