Best taken between meals.

Forty drops has less than 9 mg of caffeine, which is equal to 1/12 of a cup of coffee.

Keep Out of the Reach of Children

Store away from heat & light

Green Tea Liquid Extract

Ingredients: distilled water, certified organic alcohol (21-31%), vegetable glycerin & Green Tea extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Green Tea Extract from the young leaves of *Camellia sinensis* plants which are **Certified Organically Grown** on the Ambootia Tea Plantation in Darjeeling, India.

To assure optimal quality, the leaves are hand-harvested at their peak of potency and are then promptly heat-dried to stabilize and extract their antioxidant catechins and flavonoids. These leaves are then shipped to our laboratory and thoroughly extracted.
