

Suggested Use: As a dietary supplement, take one (1) capsule daily or as directed by a healthcare professional.

Caution: If you are pregnant or nursing, have a medical condition, or are taking medication, consult your healthcare professional before taking this or any other nutritional supplement. Discontinue use if allergic reaction occurs.

DIM contributes to a better metabolism in a most natural way by adjusting hormonal action to avoid imbalance,

as natural estrogen production declines with age for women. May help promote fat loss, healthy skin and bones, reduce cardiovascular risk and has implications for successful aging in both men and women.*

KEEP OUT OF REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE.
