Hops Liquid Extract

Ingredients: certified organic alcohol (70-80%), distilled water & Certified Organic Hops extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Hops Extract from the dried, lupulin-rich strobile (female flower) of *Humulus lupulus* vines which have been **Certified Organically Grown**.

To assure optimal extraction of Hops' bioactive compounds, the strobile is hand-harvested only when fully matured, is carefully shade-dried to retain its full color and aroma, and is then thoroughly extracted.
