To assure optimal extraction of Plantain's bioactive compounds, we hand-harvest only the young tender leaves, which are then taken directly to our laboratory and promptly extracted while still fresh and succulent.

We prepare our Plantain Extract from fresh (undried) leaf of *Plantago major* &/or *lanceolata* plants which are **Certified Organically Grown** on our own farm without the use of chemical fertilizers, pesticides or herbicides.

005

LIQUID HERBAL EXTRACT

PLANTAIN

Plantago major &/or lanceolata
Fresh Leaf

HERBAL SUPPLEMENT

4 fluid ounces (118.4 ml)
