HERBAL SUPPLEMENT

1 fluid ounce (29.6 ml)

Juniper Liquid Extract

Ingredients: certified organic alcohol (76-86%), distilled water & Juniper extractives.
GLUTEN-FREE

Dry herb / menstruum ratio: 1 : 4

We prepare our Juniper Extract from the fully matured fruit ("berry") of *Juniperus communis* shrubs which are **Certified Organically Grown** or **Sustainably Wildcrafted** in their natural habitat.

To assure optimal extraction of Juniper's bioactive compounds, the fruit is hand-harvested only in late summer or fall (after its color changes from green to bluish-purple) and is then carefully shade-dried and thoroughly extracted.
