Lavender Liquid Extract

Ingredients: certified organic alcohol (76-86%),
distilled water & Certified Organic Lavender
extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Lavender Extract from the flower
of *Lavandula angustifolia* shrubs which are
Certified Organically Grown in their natural
habitat of Provence, France.

To assure optimal extraction of Lavender's
bioactive compounds, the flower is harvested in
summer just as it is beginning to open, is
carefully shade-dried to retain its full color and
aroma, and is then thoroughly extracted.
