Lavender Liquid Extract

Ingredients: certified organic alcohol (76-86%),
distilled water & Certified Organic Lavender
extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Lavender Extract from the flowers
of *Lavandula angustifolia* shrubs which are
Certified Organically Grown in their native habitat
of Provence, France.

To assure optimal extraction of Lavender's
bioactive compounds, the flowers are harvested in
summer just as they are beginning to open, are
carefully shade-dried to retain their full color and
aroma, and are then thoroughly extracted.
