Best Selling Combination FlexMax™ Glucosamine Chondroitin Sulfate combines the two most popular supplements for joint health.* Numerous scientific studies show glucosamine promotes healthy joints.* Glucosamine is an important building block for healthy cartilage formation.* Chondroitin Sulfate is one of the most abundant components of articular cartilage – a key component for healthy joints.*

Sodium Free Nature's Way® Glucosamine Chondroitin Sulfate is preferred by people concerned about high blood pressure because it is processed with sodium-free Glucosamine and Chondroitin.

Non-Irritating / Stomach Safe The proprietary StomachGuard™ technology utilizes plant fibers to form a protective gel around the tablet upon entering the digestive tract. This natural gel provides a cushioning effect and regulates the release of Glucosamine, thus shielding against potential stomach irritation. Nature's Way® FlexMax™ can be comfortably taken at any time of the day, with or without a meal.
