Pipsissewa Liquid Extract

Ingredients: certified organic alcohol (53-63%),
vegetable glycerin & Pipsissewa extractives.
GLUTEN-FREE

Fresh herb / menstruum ratio: 1 : 1.75

We prepare our Pipsissewa Extract from the fresh (undried) leaf of *Chimaphila umbellata* plants which are **Sustainably Wildcrafted** in their wild mountain habitat.

To promote conservation of wild Pipsissewa stands, we harvest only the uppermost leaf, which stimulates new growth and does not destroy the plants.

To assure optimal extraction of Pipsissewa's bioactive compounds, the leaf is taken directly from the field to our laboratory and is promptly extracted while still fresh and succulent.
