To assure optimal extraction of Skullcap's bioactive compounds, we hand-harvest only the upper, fully-flowering part of the plants which are then taken directly to our laboratory and promptly extracted while still fresh and succulent.

We prepare our Skullcap Extract from fresh (undried) *Scutellaria lateriflora* plants which are **Certified Organically Grown** on our own farm.

LIQUID HERBAL EXTRACT

SKULLCAP

Scutellaria lateriflora

Fresh Flowering Herb

HERBAL SUPPLEMENT

4 fluid ounces (118.4 ml)

Skullcap Liquid Extract

Ingredients: certified organic grain alcohol (44-54%), distilled water & Skullcap extractives.
