Linden Liquid Extract

Ingredients: certified organic alcohol (38-48%),
distilled water, vegetable glycerin & Linden
extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 4

We prepare our Linden Extract from the
flower of *Tilia* spp. trees which are **Certified**
Organically Grown and/or **Sustainably**
Wildcrafted in their natural habitat.

To assure optimal extraction of Linden's bioactive
compounds, the flower (with bract) is hand-
harvested in spring just as it is blooming, is
carefully shade-dried to retain its full color &
aroma, and is then thoroughly extracted.
