

Suggested Use: As a dietary supplement, take one (1) capsule daily or as directed by a healthcare professional.

Caution: If you are pregnant, nursing or have a medical condition, or are taking medication, consult your healthcare professional before taking this or any other nutritional supplement. Discontinue use if allergic reaction occurs.

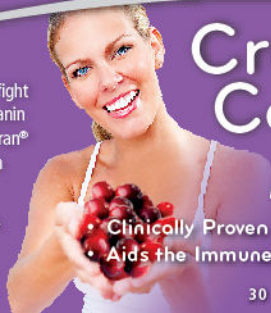

Cranberry Complex contains PACran®, the first clinically supported cranberry extract to fight urinary tract infections. Its high PAC (proanthocyanin content) and other organic compounds give PACran® its long lasting action and allow it to out-perform other cranberry and PAC-rich extracts.*
