Take up to 30 drops in 2 oz. of water or juice, two to four times per day. Best taken between meals.

Caution: Seek expert medical advice before taking during pregnancy. Not for long-term use.

Keep Out of the Reach of Children

Store away from heat & light

Thuja Liquid Extract

Ingredients: certified organic alcohol (66-76%) & Thuja extractives. **GLUTEN-FREE**

Fresh herb / menstruum ratio: 1 : 2

We prepare our Thuja Extract from fresh (undried) branchlets of *Thuja occidentalis* trees which are **Sustainably Wildcrafted** in their native habitat.

To assure optimal extraction of Thuja's bioactive compounds, we hand-harvest only the young tender branchlets which are then taken directly to our laboratory and promptly extracted while still fresh and succulent.
