SUGGESTED USE

SHAKE WELL BEFORE USING

Take up to 40 drops in 2 oz. of water or juice, two to four times per day. Best taken between meals.

Keep Out of the Reach of Children
Store away from heat & light

Wood Betony Liquid Extract

Ingredients: certified organic alcohol (48-58%), distilled water, vegetable glycerin & Wood Betony extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 4

We prepare our Wood Betony Extract from the flowering tops & leaves of *Stachys officinalis* plants which are **Certified Organically Grown** on our own farm.

To assure optimal extraction of Wood Betony's bioactive compounds, the plants are harvested as they come into flower, are carefully shade-dried and cleaned of stems, and the remaining leaf & flower is then thoroughly extracted.
