▲These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: To assess your tolerance, follow the chart provided. Once your tolerance has been assessed, take 1 serving (1 scoop) mixed with 6 oz. of water, 2 times daily, 30-60 minutes before your two largest meals of the day. (eg. breakfast and lunch). Once your tolerance has been assessed and you are looking for an additional boost of energy, take an additional serving with the first serving of the day (total of 2 servings). Do not exceed 3 servings (3 scoops) mixed with water in a 24-hour period. For best results, use for 60 days in combination with diet and training.

Day 1-2 1 scoop, once daily Day 3 & beyond 1 scoop, twice daily

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for, or diagnosed with or have a family history of any medical condition, or if you are using any prescription or over-the-counter drug(s), including blood thinners. One serving of this product contains as much caffeine as approximately 1.5 cups of coffee. Caffeine sensitive individuals may experience the following symptoms including, (but not limited to), restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate, or difficulty sleeping. One serving contains up to 2.21mg of yohimbe alkaloids. Consult a medical doctor before starting any diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. **KEEP OUT OF REACH OF CHILDREN.**
