WHY CHOOSE ULTIMATE FLORA?

Higher Culture Count

Ultimate Flora WOMEN'S COMPLETE is a once-daily, high-potency probiotic uniquely formulated for women to promote digestive and immune health, and support vaginal and urinary health.* Each capsule contains 90 billion live cultures of 12 GPS strains of beneficial flora.*

One Capsule Per Day

To receive 90 billion cultures per day, you would need to take over 3 capsules of a probiotic with only 28 billion cultures per capsule!

Delayed Release Capsule

Stomach acid can destroy probiotics. **Ultimate Flora WOMEN'S COMPLETE** delayed-release capsules are designed to resist stomach acid to help ensure more probiotics reach your digestive tract.

GPS PROBIOTICS™

THE ULTIMATE FLORA ADVANTAGE

Our proprietary blend of unique **GPS Probiotics** (Gastrointestinal Probiotic Strains) naturally occur in the intestinal tract, helping to support:

- **Healthy Digestion & Regularity***
- **Immune Functions***
- **Vaginal & Urinary Health***

Lacto GPS probiotic strains: Target the small intestine where nutrient absorption and healthy digestion occur, and the vagina and urinary tract for complete women's health support.*

Bifido GPS probiotic strains: As we age, our level of Bifido declines. Bifidobacteria support a healthy large intestine where elimination occurs.*

PROBIOTIC SUPPORT JUST FOR WOMEN

Women have unique needs when it comes to their health. **Ultimate Flora WOMEN'S COMPLETE** is formulated with specific Lactobacillus and Bifidobacteria GPS probiotic strains to support digestive and immune health, as well as vaginal and urinary tract health.*

Balanced Lacto-Bifido Formula: Lactobacilli are the most prevalent good bacteria in a healthy vagina. They produce beneficial compounds that support a healthy balance of bacteria and yeast in the digestive tract and vagina.* Added Bifidobacteria help maintain a healthy digestive environment for complete probiotic support.*

Brenda Watson is a leading natural digestive care expert. Her **Ultimate Flora** probiotics are formulated to help balance the digestive and urogenital system, and promote regularity and vibrant health.*
