## Yellow Dock Liquid Extract

Ingredients: certified organic alcohol (38-48%), distilled water, vegetable glycerin & Yellow Dock extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Yellow Dock Extract from the roots of *Rumex crispus* plants which are **Certified Organically Grown** or are **Sustainably Wildcrafted** in their natural wild habitat.

To assure optimal extraction of Yellow Dock's bioactive compounds, the roots are hand-harvested only after the plants have fully seeded in summer or autumn, and are then carefully shade-dried and thoroughly extracted.
