Yerba Mansa Liquid Extract

Ingredients: certified organic alcohol (71-81%),
distilled water, vegetable glycerin & Yerba
Mansa extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 4

We prepare our Yerba Mansa Extract from
the roots of *Anemopsis californica* plants
which are **Certified Organically Grown**
&/or **Sustainably Wildcrafted** in their wild
marsh habitat.

To assure optimal extraction of Yerba
Mansa's bioactive compounds, the roots are
hand-harvested only in summer or autumn
after the aerial parts have died back, and are
carefully shade-dried to retain their full color
& aroma.
