Yerba Mansa Liquid Extract

Ingredients: certified organic alcohol (71-81%),
distilled water, vegetable glycerin & Yerba Mansa
extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 4

We prepare our Yerba Mansa Extract from the roots
of *Anemopsis californica* plants which are **Certified
Organically Grown** &/or **Sustainably Wildcrafted**
in their wild marsh habitat.

To assure optimal extraction of Yerba Mansa's
bioactive compounds, the roots are hand-harvested
only in summer or autumn after the aerial parts have
died back, and are carefully shade-dried to retain
their full color & aroma.
