True Potency™ ensures the stability of active cultures at room temperature for the entire shelf life.

True Release™ ensures survival through stomach acid for maximum delivery into the intestinal tract.

True Identity™ ensures that only the probiotic strains listed on the label are present in the product.

DIGESTION & IMMUNITY*

Primadophilus® Reuteri Pearls help fortify the intestinal tract with a high potency of active lactobacillus and bifidobacterium cultures.*

WHY TAKE PRIMADOPHILUS® REUTERI?

Maintaining a proper level of *Lactobacillus reuteri* (SD-5865) and other lactobacillus & bifidobacterium cultures in the intestinal tract can:

1) help support healthy immune function, and 2) promote healthy digestion and nutrient uptake.*

What is Reuteri?

Pronounced roy'-tur-eye, this unique lactobacillus is naturally found in human breast milk, and is one of the first defenses a nursing mother passes to her child. When taken as a supplement, reuteri colonizes in the intestine and provides healthy benefits.*

RECOMMENDATION: Take 1 capsule daily with or without food. Do not chew or crush. Store in a cool, dry place.
