INGREDIENTS: Casein Protein Blend (Micellar Casein, Calcium Caseinate, Nutrateric[®] Enteric Coating (Purified Water, Ethyl Cellulose, Oleic Acid and Medium Chain Triglycerides - MCTs)), Milk Protein, Cocoa, Natural and Artificial Flavors, Potassium Chloride, Salt, Sucralose, Soybean Oil. **Allergen Warning:** Contains Milk and Soy.

F) Ingrédients: Mélange de protéine de caséine (Caséine micellaire, caséinate de calcium, enduit entérique de Nutrateric[®] (l'eau purifiée, éthyle cellulosique, acide oléique et triglycérides à chaîne de support)), Protéine du lait, Saveurs du cacao, naturelles et artificielles, chlorure de potassium, sel, Sucralose, acide de soja. Contient du lait et du soja.

S) Ingredientes: Mezcla de la proteína de la caseína (Caseína micelar, caseinato del calcio, capa entérica de Nutrateric[®] (agua purificada, celulosa de etilo, ácido oléico y triglicéridos de cadena del medio)), Proteína de leche, Sabores del cacao, naturales y artificiales, cloruro de potasio, sal, Sucralose, ácido de soja. Contiene leche y soja.

NL) Ingrediënten: Het Eiwitmengsel van de caseïne (Micellair Caseïne, Caseïne van het Calcium, DarmBeschermend Nutrateric[®] Gezuiverd Water, Ethylcellulose, Oleïzuur en de Middelen grote Triglyceriden van de Kettingen), De Proteïne van de Melk, Cacao, Natuurlijke en Kunstmatige Aromas, het Chloride van het Kalium, Zout, Sucralose, Sojaglut. Bevat melken soja.

D) Zutaten: Kasein-Protein-Mischung (Micellares Kasein, Kalziumkaseinat, Nutrateric[®] enterische Beschichtung (gereinigtes Wasser, Ethylcellulose, Ölsäure und Medium-Kettentriglyceride)), Milchprotein, Proteine von der Milch, Kakao, natürliche und künstliche Aromen, Kaliumchloridverbindung, Salz, Sucralose, Sojaöl, Ethanol, Milche und Soja.

I) Ingredienti: Miscela della proteina della caseina (Caseina micellare, caseinato del calcio, rivestimento enterico di Nutrateric[®] (acqua purificata, cellulosa etilica, acido oleico e trigliceridi a catena di media)), Proteina del latte, Saponi naturali ed artificiali del cacao, cloruro di potassio, sale, Sucralose, olio di soia. Contiene latte e soia.

* Nutrateric[®] is a registered trademark of BPSI Holdings Inc.

* Nutrateric[®] is an aqueous enteric coating system designed specifically to meet the regulatory requirements for dietary supplement, nutritional and herbal products in Europe, the United States and other North American regions. Nutrateric[®] is self-affirmed GRAS status and adoption of Council Directive 2006/52/EC allows it to be used on dietary supplements across the United States and Europe. It also features a unique patent-pending technology specifically developed for nutritional applications.

* Nutrateric[®] is protected by US Patent# 7,709,025 B2, which is owned by BPSI Holdings Inc.

NUTRATERIC[®]
ENTERIC COATING SYSTEM

DYMATIZE[®] ELITE CASEIN XT provides 24 grams of slow-digesting casein protein per serving. **ELITE CASEIN XT** is specifically designed to digest more slowly in your body than other rapid release protein sources such as whey. This slow digestion is a result of the natural pH sensitivity of Casein Protein in the digestive track. Because of the natural thickening effect of **ELITE CASEIN XT** in the low pH environment of the stomach, a prolonged and steady release of protein is obtained. This delayed digestion is often desirable, especially at bedtime or other periods when your body can go for an extended period of hours without food.

ELITE CASEIN XT is further enhanced by the addition of **NUTRATERIC[®]**, a revolutionary, pharmaceutically-developed coating system. This delayed release technology allows the specific material it coats to release

at a particular pH range. In fact, with this coating process, the resulting digestion can take more than twice as long as other forms of non-coated protein, further enhancing the extended release capacity of Dymatize **ELITE CASEIN XT**.

Each serving of **ELITE CASEIN XT** is delicious and satisfying. Due to the naturally hydroscopic nature of casein proteins, **ELITE CASEIN XT** is noticeably thicker and smoother than other non-casein based products. **ELITE CASEIN XT** is made from only protein sources with a PDCAAAS protein digestibility corrected amino acid score) of 1.0 (perfect score) or higher. With 24 grams of Casein-derived protein, and about 10 grams of BCAAs, Glutamine and Precursors teamed with the revolutionary **NUTRATERIC[®]** coating, **ELITE CASEIN XT** will help you achieve all your fitness goals.

DIRECTIONS: Mix 1 scoop with 10-12 ounces of water, milk or other liquid. Use Dymatize Elite Casein XT before bed, in place of or in addition to small meals, and/or any other time when delayed protein absorption is desired.

- F) Mélanger une mesure avec 296-355 ml de liquide (10-12 oz.)
S) Mezclar 1 cucharada con 10-12 onzas de líquido.
NL) Meng 1 maatsoep met 300ml water of magere melk.
D) Mixen Sie 1 Messlöffel mit 300 bis 350 ml Wasser oder fettarmer Milch.
I) Miscelare un misurino in 300-400 ml d'acqua o latte.
