

## Superior Bioavailability for Superior Results

Curica® Pain Relief provides superior bioavailability of curcuminoids (from Meriva® turmeric) and AKBA (from AprèsFlex® boswellia) into the bloodstream for long-lasting results.

- **Meriva** is a researched complex of standardized turmeric extract and phosphatidylcholine that delivers up to 29x better bioavailability of total curcuminoids versus an ordinary turmeric extract.
- **AprèsFlex** is a boswellia extract with a standardized potency and enhanced bioavailability of AKBA.

**SATISFACTION GUARANTEED.** Safety sealed for your protection with printed outer shrinkwrap and printed inner freshness seal under bottle cap. Do not use if either seal is broken or missing. Keep bottle tightly closed. **Keep out of reach of children.**

**MERIVA**  
BIOAVAILABLE CURCUMIN  
**AprèsFlex**
