

PomXtra™ Gives You Two Extracts In One

Because PomXtra™ provides a more complete source of pomegranate nutrients, you get a full range of benefits. It's the extra pomegranate power you need every day in just one softgel.

1 Supercritical Seed Oil Extract:

Supports healthy hormone balance for breast and prostate tissue, colon cellular health, and strong blood vessels and arteries. Pomegranate is the only plant rich in punicic acid from seed oil—Omega-5—along with potent phytosterols, oleic, and linoleic acids.*

2 Fruit Extract:

Protects against the risk of oxidative damage to the DNA with high polyphenol antioxidant compounds to help ensure healthy cellular replication throughout the body.*

Powerful Benefits of Omega-5

Omega fatty acids are well known for their benefits. PomXtra™ provides the omega you may have been missing: Omega-5. Clinical studies with punicic acid from pomegranate—the source of Omega-5—show that it supports the delicate hormonal balance that can make a critical difference in breast or prostate health. The only known botanical source of this crucial fatty acid is pomegranate seed oil. Combined with the high antioxidant value from pomegranate fruit polyphenols, PomXtra™ is a superfruit combo like no other!*
