

Why SinuCare™? Immediate Action – Naturally!

SinuCare™ provides the soothing support of Eucalyptus and Myrtle to help you breathe easy. These unique botanical extracts have been shown to directly provide effective respiratory system support in part by their ability to support healthy cilia activity.

The nose and sinuses are lined with complex tissues that secrete mucus, which keeps the lining hydrated and acts as a barrier by trapping inhaled particles. It is the job of the cilia to brush the mucus in a direction leading out of the sinus and nasal cavities. Healthy cilia function is required for clear and comfortable sinuses!*

- Goes to work immediately for results you can feel
- Does not cause drowsiness or jitteriness
- Supports both the sinus and bronchial airway passages*

SinuCare™
*Breathe Free**

Amazing Ingredients!

SinuCare™ provides Eucalyptus and Myrtle to support sinus, bronchial, lung, and entire upper respiratory function.

- **Refreshing Eucalyptus** (*Eucalyptus radiata*) has long been studied and shown to support healthy, clear sinus passages.
- **Strong Myrtle** (*Myrtus communis*) supports a healthy respiratory environment, and provides the key compound, 1,8 cineole for effective support!*

Plant Oils are 75 to 100 times more concentrated than herbal extracts.

**NON-GMO
UNCONDITIONALLY GUARANTEED**
