

Garlicin®

CARDIO*

Clinical studies have shown cardiovascular benefits of garlic with high allicin potential.*

- **Garlicin®** is made from a superior garlic powder for maximum allinase activity.
- **SmartRelease®** tablets protect the allinase enzyme necessary for allicin production.
- **Intestinal Disintegration** provides an environment best suited for maximum allicin release.

Actual Tablet Size

The bottle inside is double safety sealed with printed outer shrinkwrap and a printed inner seal. Do not use if either seal is broken or missing.
Keep out of reach of children.

Garlicin®

SmartRelease® Garlic

Using a proprietary enteric-coating, Garlicin tablets are protected from stomach acid. Once in the intestinal fluid, Garlicin tablets completely disintegrate in about 45 minutes providing maximum allicin release.
