Caution: As with any dietary supplement, contact a healthcare professional if you have a long term medical condition, take regular medication or are planning surgery. Do not drive or operate machinery or equipment after taking this product. For short term use only. If sleeplessness persists beyond two weeks, if you experience an adverse event, or if you develop symptoms of abdominal pain, dark urine, or jaundice, discontinue use and contact a healthcare professional. Supplements are not a substitute for medical therapy. Taking with a meal and a full glass of water may reduce stomach upset. **Do not use if pregnant, nursing or considering pregnancy. Keep out of reach of children.** Read ingredients carefully and avoid use if known sensitivity to any ingredient.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
