

THE MOST ADVANCED NON-STIMULANT PRE-WORKOUT STRENGTH ENHANCER*

GAKIC® VO2 MAX SX-7™ was designed with one goal in mind - RESULTS. Supplying a clinical dose of both GAKIC® and *Terminalia arjuna*, this advanced complex was formulated to deliver immediate and significant increases in strength and muscle endurance, along with significant improvements in VO2 max and absolute power. GAKIC® VO2 MAX SX-7™ helps you perform at your best during your toughest workouts without the need for creatine or stimulants.†

1In an 8-week human clinical study, subjects using the precise dose of *Terminalia arjuna* in GAKIC® VO2 MAX SX-7™ experienced a significant increase of 4.9% in VO2 max measured through gas exchange kinetics. Subjects also significantly increased average absolute power by 3.6%, measured through interval jumps and a subsequent power calculation.†

3In another human study conducted at a different top university, subjects experienced first-dose strength gains (increased total work performance) at 0, 5, and 15 minutes after taking the core GAKIC® VO2 MAX SX-7™ complex vs. using a placebo by 12%, 9%, and 11%, respectively – an average strength increase of 10.5%!†

What's more, in the same study, the core GAKIC® VO2 MAX SX-7™ complex also improved fatigue resistance, increasing muscle performance (force) at 0, 5, and 15 minutes by 28%, 21%, and 14% more, respectively, than when subjects used a placebo – that's an incredible average increase of 21%!†

DIETARY SUPPLEMENT
Natural And Artificial Flavor

Supplement Facts

Serving Size: 8 Caplets
Servings Per Container: 16

Amount Per Serving	% Daily Value	
Calcium	350mg	35%
Sodium	25mg	1%
Glycine, L-arginine, alpha-ketoisocaproic calcium	10,202mg	†
Terminalia bark extract (as <i>Terminalia arjuna</i>)	500mg	†

†Daily Value not established.

Other Ingredients: Microcrystalline Cellulose, Carboxymethylcellulose Sodium, Hydroxypropylcellulose, Hypromellose, Magnesium Stearate, Stearic Acid, Polyethylene Glycol, Titanium Dioxide, Silicon Dioxide, Natural And Artificial Flavor, Talc, Acesulfame-Potassium. **Contains Soy Ingredients.**

Directions: Take 1 serving (8 caplets) 30 to 45 minutes before your workout. Read the entire label before use and follow directions provided. †This bottle provides a 4-week supply if you work out 4 times per week.

WARNING: For adult use only. Do not use if pregnant or nursing. Consult a doctor before use if you have a medical condition and before starting a diet or exercise program. **KEEP OUT OF REACH OF CHILDREN.**

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F).
