NOW FOODS, 395 S. Glen Ellyn Rd.
Bloomington, IL 60108, USA www.nowfoods.com

Not manufactured with wheat, gluten, soy, milk, egg, fish or shellfish ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

SUGGESTED USAGE: Shake well before use. As a dietary supplement, in the morning, take 1 teaspoon, hold in mouth for 30 seconds, then swallow. 1 teaspoon (5 mL) is equivalent to about 5 half dropperfuls. **Refrigerate after opening to maximize freshness.**

Vitamin B-12 has the largest and most complex chemical structure of all the vitamins. It is a water-soluble vitamin with a key role in the normal functioning of the brain and nervous system, as well as in the metabolic utilization of fats and proteins and the cellular production of energy. Vitamin B-12 is also essential for proper red blood cell production, homocysteine metabolism, and the maintenance of a healthy gastrointestinal tract. NOW® Vitamin B-12 is appropriate for vegetarians/vegans (non-animal derived), who are at higher risk of developing Vitamin B-12 deficiency.*
