Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel daily with a meal.

Zinc is a mineral co-factor in hundreds of enzymatic reactions related to protein and carbohydrate metabolism, RNA/DNA synthesis, and intercellular signaling. Zinc is essential to the normal function of many organs and systems within the body: supporting healthy immune, skeletal, neurological, and endocrine functions as well as a healthy prostate. Dietary bioavailability of Zinc is relatively poor, so NOW® Zinc Glycinate is chelated to improve absorption and bioavailability. NOW® uniquely offers Zinc Glycinate in a softgel capsule with Pumpkin Seed Oil as a healthy base.*

Zinc Glycinate

SUPPORTS PROSTATE HEALTH

30 mg Albion® TRAACS® Zinc

- With 250 mg Pumpkin Seed Oil
- Chelated Form in Softgels for Superior Bioavailability*

120 Softgels

A Dietary Supplement
