*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 3 capsules immediately before the 2 main meals of the day. Do not exceed 6 capsules per day. Take in conjunction with a sensible diet and exercise program. Take at least 4 hours before or after fat soluble vitamins (A,D,E,K) or medications. Chitosan is a dietary fiber derived from crustaceans that can bind to fat and cholesterol in the digestive tract, helping to maintain cholesterol levels already within healthy range. NOW® Chitosan Plus features LipoSan ULTRA®, a patented high-density form of Chitosan that, in laboratory testing, binds up to five times more fat than conventional Chitosan. A clinical study has demonstrated that LipoSan ULTRA® may aid in supporting a healthy body weight. Chromium, a mineral essential for normal glucose metabolism, has been included to complete this formula.*
