

Nature's Way® EFAGold® Neuromins® is the highest quality non-fish source of DHA—an essential fatty acid for proper mental and visual function.* When taken during pregnancy and while nursing, it can help support healthy eye and brain development within the infant.*

From Marine Microalgae. Purity tested—free from harmful levels of heavy metals (including mercury), and other impurities.

No chemical solvents, sugars, or artificial flavors. All colors used are from natural sources.

Satisfaction Guaranteed. Safety sealed with printed outer shrinkwrap and printed inner freshness seal. Do not use if either seal is broken or missing. Keep out of reach of children. Store in a cool, dry place.

Neuromins® is a registered trademark of DSM Nutritional Products.
