DIETARY SUPPLEMENT

ABOUT US

We understand how important it is to cleanse your body of unwanted toxins and free radicals. We take our responsibility in helping you achieve this goal very seriously. Our cleansing program was engineered to safely and quickly remove unwanted toxins from your body and neutralize free radicals. We use the power of Science to unlock and discover Nature's strongest detoxifiers in order to assist you on your journey towards total body purity.

HELPFUL HINTS

In order to get the most out of this product, we make the following recommendations.

- + Avoid exposure to unwanted toxins and toxic environments while following this cleansing program.
- + Proper fluid intake is crucial while following this cleansing program. Water, 100% Cranberry Juice and Green Tea have been found to be the most effective types of fluid to consume in helping to remove unwanted toxins. Any of these fluids will help but its not necessary to intake all 3. Try and consume at least 100oz of liquid each day while following this cleansing program.
- + Eat a healthy well balanced diet while on this cleansing program. Avoid eating greasy, fatty and fried foods (fast food). Soft drinks and artificially sweetened beverages should also be avoided if possible.
- + Avoid tobacco and alcohol.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease. Always consult your physician before using any cleansing product.

WARNING: Do not use if pregnant or breast feeding. Do not use if safety seal is missing or broken. Keep out of reach of children.

NOTICE: This product contains Cascara Sagrada Bark Extract. Read and follow directions carefully. Do not use if you have or develop diarrhea, loose stools, or abdominal pain because cascara sagrada bark extract may worsen these conditions and be harmful to your health. Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.
