

Horse Power is a super-efficient NO booster for increased strength and power output, better nutrient and oxygen transport, higher endurance and faster recovery.

The exclusive formula combines the most advanced NO enhancing ingredients, key support nutrients and three forms of creatine, including patented Kre-Alkalyn®, for one of the most powerful and bioavailable creatine-based supplements ever. As a result, Horse Power works better in the human body.

WARNING Consult your physician or health care practitioner before using this product if you have any pre-existing medical conditions such as (but not limited to): anxiety, asthma, cardiac arrhythmia's, depression, diabetes, hypertension, hypotension, pernicious anemia, psychiatric disease, seizure disorder, stroke, heart, liver or thyroid disease, or trouble urinating due to an enlarged prostate, or if you are taking a prescription drug or an MAO inhibitor. Should dizziness, headaches, heart palpitations, sleeplessness, or tremors occur discontinue or reduce your usage immediately. Do not use if you are pregnant or nursing. Other Ingredients: Natural and artificial flavors, sucralose, and beet root powder (for color).

DIRECTIONS FOR USE: Take 1 serving with an 8oz glass of water 2 times daily. We recommend you take one of the servings approximately 30-45 minutes prior to your workout. When cycling Horse Power we recommend using it for no longer than a 12-week "on" cycle, followed by a 4-week "off" period. After a 4-week break, start a new Horse Power cycle.
