

At Garden of Life, we are dedicated to empowering extraordinary health. That's why we developed deliciously nutritious **fūcoPROTEIN®** High Protein Thermogenic Bars.*** **fūcoPROTEIN®** bars are high in protein and contain fucoxanthin, a natural thermogenic (fat burner!) found in several types of marine vegetables (edible seaweed), long considered among the most nutritious vegetation on Earth. Fucoxanthin naturally increases metabolism, burns fat and assists in weight management.*** So don't delay, try this incredible bar and visit www.gardenoflife.com for additional information today. Also available in Chocolate with Macadamia Nuts.

Suggested Use: Adults enjoy two bars daily to supplement a calorie conscious diet and moderate exercise. Not intended for children.
