Lichi Total Body Detox 6-Day Cleansing Program

Convenient Pre-Mixed On-the-Go Drinks!

Easy 1-Bottle Per Day Detox!

Fast and Effective 6-Day Program!

Lichi Total Body Detox benefits the body in many ways by helping the mitochondria, the body's cellular power plants, convert oxygen and nutrients into adenosine triphosphate (ATP), energy needed to power cell metabolism, survival and function. When this process becomes compromised, problems can arise putting many essential cell functions at risk.*

Lichi Detox is unique because it flushes toxins and impurities out of your system to allow the proper amount of nutrients and oxygen to reach the mitochondria. When the mitochondria are properly fueled, your body functions at its best!*

EASY AS 1,2,3 to START YOUR DETOX TODAY!

DIRECTIONS:

1. Drink one Lichi Total Body Detox shot in the morning on an empty stomach for 6 consecutive days.
2. Drink at least 8 glasses of water per day to assist in flushing impurities out of your body.
3. For additional benefits take Lichi Super Fruit Diet for weight loss and Lichi Probiotic for digestive health.
