SUGGESTED USAGE: As a dietary supplement, take 1 capsule near bedtime with water.

Melatonin is a potent free radical scavenger naturally produced in the pineal gland and present in high amounts in the gastrointestinal tract. It is involved in many of the body, brain and glandular biological functions including regulation of normal sleep/wake cycles, regulation of the immune system and maintenance of a healthy gastrointestinal lining.*

Caution: For adults only. May cause drowsiness. Do not operate a vehicle or heavy machinery following consumption of melatonin. Consult physician if pregnant/nursing, taking medication (especially sedatives and anti-depressants), or have a medical condition (including depression, high blood pressure and epilepsy). Keep out of reach of children.
