

PCS: Power, Size, and Superior Strength!

Creatine is the spark that ignites lean muscle contraction. Creatine Ethyl Ester is an enhanced version of Creatine with much higher bio availability which translates into greater value per serving, near instantaneous uptake and more rapid recovery from extreme training regiment.

Primal Creatine Surge will also decrease muscle fatigue during intense training! Nothing comes close to power formula!

Workout days:

Take 2-4 capsules with 16oz of water 15-30 minutes before workout. Take another 2-4 capsules with 16oz of water 15-30 minutes after workout.

Non workout days:

Take 2-4 capsules with 16oz of water with first meal. Take another 2-4 capsules with 16oz of water with meal 4-6 hours later.

Warnings: KEEP OUT OF REACH OF CHILDREN.

This product is not intended for anyone under the age of 16. Consult your physician before using any dietary supplement. Do not take this product if you have any medical condition and/or are taking any prescription medication(s). Discontinue use if experiencing any adverse side effects
