

**Synergistic formula providing superior anti-aging and immune health support!\***

This comprehensive formula activates the longevity enzyme, boosts antioxidant levels and enhances heart health with 100% pure trans-resveratrol, the most absorbable form of resveratrol.\*

Resveratrol-forte® uses specialized extraction and purification methods providing higher potency and stability.\* This unique combination of resveratrol and rutin (quercetin rutinoside) provides more anti-aging and immune support than resveratrol alone.\*

Shield yourself from the aging effects of free radicals and oxidative stress with Resveratrol-forte!\*

**2 capsules equal the Resveratrol in 80 bottles of red wine!††**
